

Student Registration Package

Mount Pakenham is Eastern Ontario's top destination for school groups.
For more information on our programs, please watch our [Skiing-in-Schools video](#), and [visit our website!](#)

Here is what you can do to be prepared to have a fun day in the snow at Mount Pakenham!

Parents/Guardians: École Catholique Cathédrale – Jan 29, 2026

- ❄ The information you provide for you and your child will determine how the ski binding will be released in the event of a fall. **Please take filling out the forms seriously and submit as soon as possible.** Measure height, weight and shoe size. Please do not guess. Registration through this portal is mandatory for participation.
- ❄ Follow this link to complete registration for all participants attending the trip(s): <https://mountpakenham.com/parent-portal?rnh=62267051> code 28911

Students/Participants:

- ❄ If bringing your own equipment, please ensure it is in good repair. Please do not bring unsafe or ill-fitting equipment on your ski day. Equipment rental packages, including helmets, can be reserved when registering through the link above.
- ❄ **Don't borrow equipment from someone else** unless you have a **certified** person re-adjust the ski bindings to your personal settings.
- ❄ Set reasonable expectations for yourself. If it is your first time skiing or snowboarding, there is a good chance you will not make it up the chairlift... and that's OK! It often takes 3-5 visits for children to be ready for the bigger hills.
- ❄ On the day of the trip, ensure you eat a healthy, hearty breakfast. You're going to need some fuel for the day!
- ❄ Snow School lessons (mandatory for day visits) are 1 hour of instruction with our certified instructors, using terrain that suits your ability level. Review the following safety links with your children: the [Alpine Responsibility Code](#) and some [short videos](#) on how to dress, have a great day and stay safe on the slopes.

Make it a Family SNOW DAY

We're pleased to provide you with special discounted rates on lift tickets and equipment rentals when reserved in advance with your child's school as a supervisor!

Not sure if you can volunteer with the school? We still provide discounted lift tickets at the ticket counter for family members who can participate last minute. Please indicate which school you are with prior to purchasing your lift ticket for the day.
